RESOLUTION NO. 15-04

A RESOLUTION OF THE BOARD OF TRUSTEES OF RECLAMATION DISTRICT 830 FINDING AN EXEMPTION UNDER CEQA AND APPROVING A WORK AGREEMENT UNDER THE DELTA LEVEE MAINTENANCE SUBVENTIONS PROGRAM, FISCAL YEAR 2014-2015

WHEREAS, Reclamation District 830, a California Reclamation District (the "District") has an on-going Program for the repair and maintenance of its flood control levees on Jersey Island;

WHEREAS, this Program provides for the repair and maintenance of the existing levees on Jersey Island through the replacement of the rock materials on those sections of the waterside slope of the levee where they have been removed by wave action and gravity. The replacement materials are substantially the same as the materials that have been removed;

WHEREAS, this repair and maintenance activity does not require the modification of the profile of the waterside slope of the levees and does not involve the modification of top (crown) of the levees, or the alteration of the bed, bank or channel of the watercourse adjacent to the levees;

WHEREAS, this repair and maintenance activity complies with the Agreement for Annual Routine Levee Maintenance between the District and the California Department of Fish and Game dated May 22, 2000;

WHEREAS, the District is applying to the California Department of Water Resources for a Work Agreement (the "Work Agreement") under the Delta Levee Maintenance Subventions Program, Fiscal Year 2014-2015;

WHEREAS, the District has previously approved and adopted a Notice of Exemption dated April 16, 2002 under the California Environmental Quality Act (CEQA) incident to the District's ongoing program for the maintenance and improvement of all flood control levees under the District's jurisdiction which are located on Jersey Island;

WHEREAS, the District has now determined it is in the public interest and consistent with the purposes of CEQA to rely on this previously approved and adopted Notice of Exemption regarding the District's Work Agreement under the Delta Levee Maintenance Subventions Program, Fiscal Year 2014-2015.

NOW, THEREFORE, BE IT RESOLVED by the Board that, based on the foregoing facts and circumstances and all other information received by the Board, the Board hereby finds and determines as follows:

1. The Board finds and determines that the Work Agreement is categorically exempt from the application of CEQA as documented in the Notice of Exemption dated April 16, 2002.

2. The Board finds and determines that the Work Agreement is in the public interest and authorizes the President of the Board to execute the Work Agreement.

AYES, and in favor thereof, Trustees: Williams, Skrel
